

LA3

The LA3 aluminum profile is available in silver and black finishes and is one of the taller profiles in its category (15 mm). Its clean, aesthetic design makes it an excellent choice for illuminating cabinets, display cases, and other surfaces that require precise, focused lighting.

The profile features rotating end caps, allowing the light to be adjusted to the desired angle for optimal illumination.

It comes with a milky white diffuser, which softens and evenly distributes the light. When fitted with the diffuser, the profile provides a sealing level of IP40.

Technical data

Light source - LedFlex	30 LED/m; 60 LED/m; 120 LED/m, COB, RGB, RGBW
Diffuser colour	milky white
Input voltage	12V or 24V DC
Power	2,4W/m; 4,8 W/m; 9,6 W/m; 12 W/m, 14,4W/m; 16W/m
Control and dimming	DALI, KNX, DMX, Smartphone
IP	40

Scale 2:1
