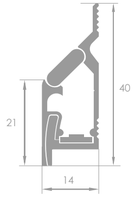
CORNER PROFILE
WALL

Exceptionally simple assembly and high quality makes WALL a frequently chosen product. The modular design streamlines the installation of the light source at the edges of walls, floors, etc.

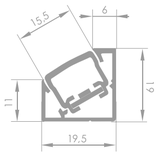


Profile colours:

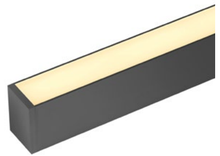
ALU · LED · LED

CORNER PROFILE
LA

The LA profile is intended to be installed in corners where two surfaces come together. It works perfectly for decoration purposes and can be mounted under cabinets, foot of the walls and ceilings.



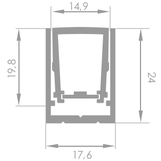
Profile colours:



ALU · SIL VER · LED · LED

UNIVERSAL PROFILE
LAP

A straight profile made from aluminum. It is intended to be installed on such surfaces as floors, walls, furniture, etc.



Profile colours: standard · optional

ALU · SIL VER · LED · LUMI TEC

UNIVERSAL PROFILE
PRISM

The PRISM universal profile is designed for illuminating on ceiling or floor surfaces without the need of surface chamfering.

Step nosing LED profiles

Lighting systems for cinemas, theatres, HORECA sector and more

Cinema LED profile system

Our LED and LumiTEC lighting profile systems are ideal for use in low light areas such as cinemas, theatres and other public spaces to guide visitors and provide added safety. Durable and extremely energy efficient, they can intensify the appearance and atmosphere of any space.

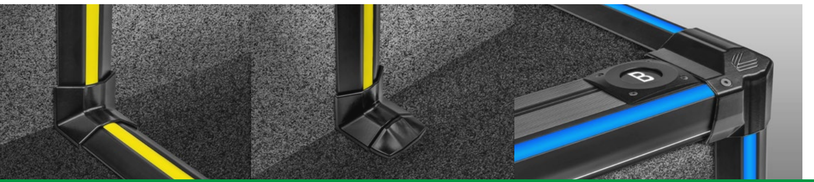
NEW

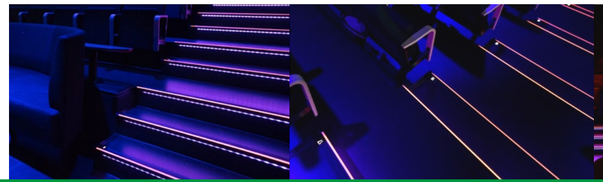
CABLE COVER SYSTEM

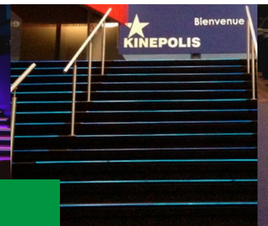
CROSSLINE

The world's first cable cover system with LED lighting. A robust, metal cover protects the wires from damage, laying them on the surface of the steps without any milling. The optional illumination effect adds the „wow-factor" to the space.

Available with DUO LED UNI and STEPLINE stair profiles.



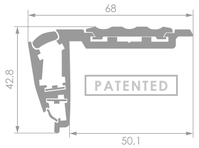




STAIR PROFILE

STREAMLINE DUO

Our newest profile is now streamlined with: the anti-slip insert available in various colours, optional dual linear LED illumination, customized row mark, adjustable end caps and invisible screw holes.



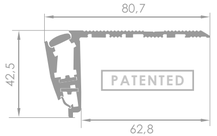
ALU · SIL VER · 2x · A · LED · LED · LED · 7mm

Profile colours:

STAIR PROFILE

DUO LED UNI

The UNIversal aluminum stair profile with dual LED illumination is our best seller. The profile provides a continuous aestetic strip of light in a single colour or RGB colour spectrum. Now, it is also available with a linear illumination on the bottom.



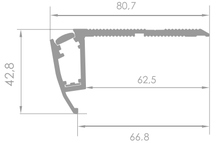
ALU · SIL VER · 2x · A · LED · LED · LED · 7mm

Profile colours:

STAIR PROFILE

STEPLINE

Our classic universal anti-slip profile that can be enhanced with illuminated markings, such as digits, letters, or other custom symbols. The profile quarantees a quality linear lighting effect and full illumination control.



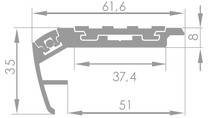
ALU · SIL VER · A · LED · LED · 7mm

Profile colours:

STAIR PROFILE

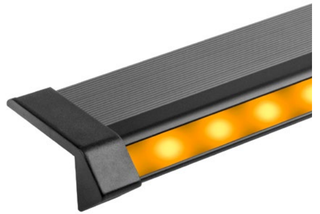
COMBO

The COMBO profile has special cracks that enable you to run a carpet under the profile. The anti-slip insert is extremely durable.



Profile colours:

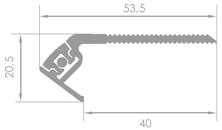
ALU · A · LED · LUMI TEC



STAIR PROFILE

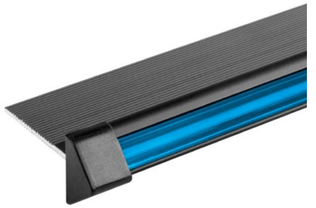
OVERLAPPED

An easy to install universal profile that possesses an anti-slip property and provides an aesthetic strip of light.



Profile colours:

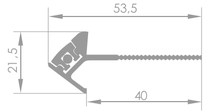
ALU · SIL VER · LED · LUMI TEC



STAIR PROFILE

INTERNAL

The INTERNAL stair profile is specially designed for stairs with ceramic tiles and provides a continuous, extremely energy-efficient, aesthetic strip of light.



Profile colours:

ALU · SIL VER · LED · LUMI TEC
