CINEMA LED PROFILE SYSTEM

Our LED and LumiTEC lighting profile systems are ideal for use in low light areas such as cinemas, theatres and other public spaces to guide visitors and provide added safety. Durable and extremely energy efficient, they can intensify the appearance and atmosphere of any space.

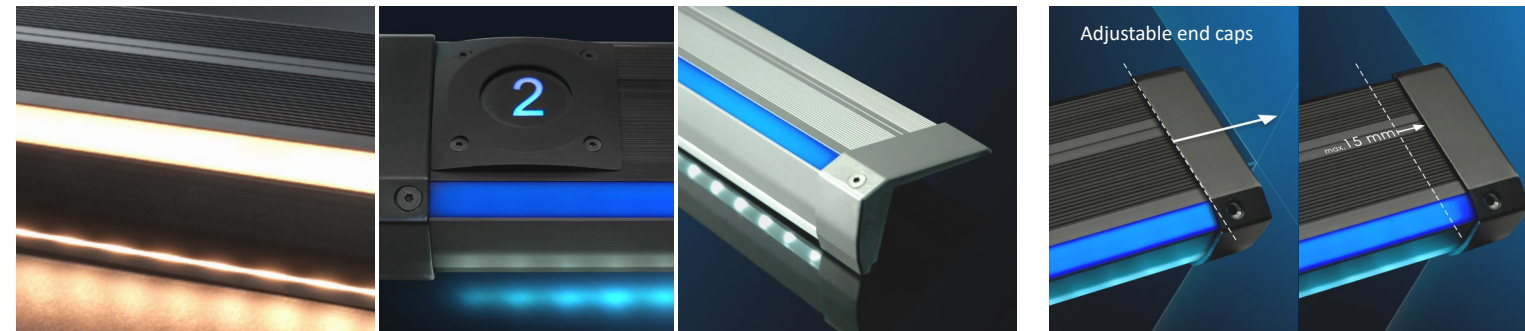

STAIR PROFILE DUO LED UNI

The UNIVERSAL aluminum stair profile with dual LED illumination is our best seller. The profile may use LED's in any single colour from the RGB colour spectrum, provides a continuous aesthetic strip of light and additional illumination of a stair riser.

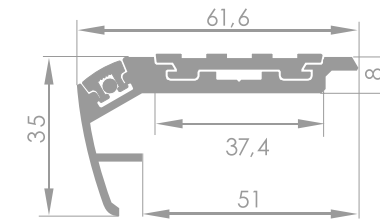

Profile colours: ■ ■

- Fixed to the finished edge of a step with screws or an adhesive
- Can be installed on carpeted steps
- Adjustable end caps
- No visible LED points

STAIR PROFILE COMBO

The COMBO profile has special cracks that enable you to run a carpet under the profile. The anti-slip insert is extremely durable.

Profile colours: ■ ■

Available with LED and LumiTEC illumination.

STAIR PROFILE INTERNAL

The INTERNAL stair profile is specially designed for stairs with ceramic tiles and provides a continuous, extremely energy-efficient, aesthetic strip of light.

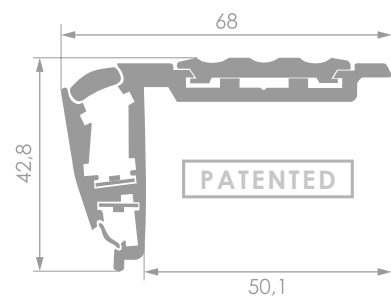

Profile colours: ■ ■

Available with LED and LumiTEC illumination.

STAIR PROFILE STREAMLINE DUO NEW

Our BRAND NEW patented universal aluminum stair profile with anti-slip insert and dual LED illumination is now streamlined – no visible screw holes. The profile may use LED's in any single colour from the RGB colour spectrum and provides a continuous, aesthetic strip of light.

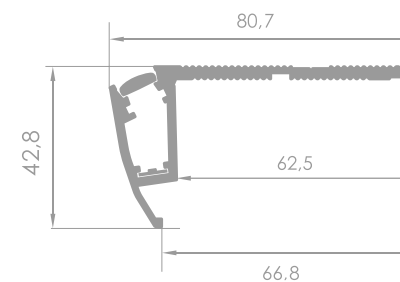

Profile colours: ■ ■

- Dual LED illumination
- Easy installation - just add screws or adhesive
- Can be installed on carpeted steps
- Adjustable end caps
- No visible LED points
- No visible screw holes

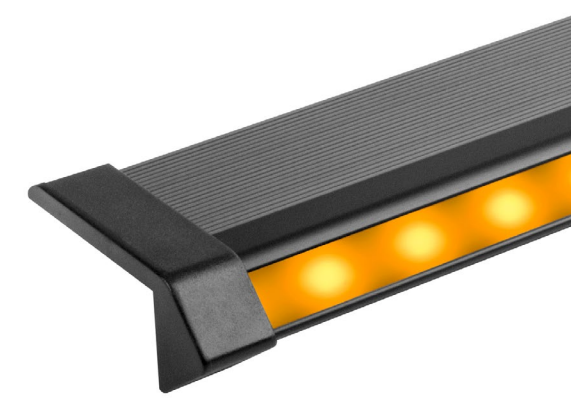

STAIR PROFILE STEPLINE

Our standard universal anti-slip profile that can be enhanced with illuminated markings, such as digits, letters, or other custom symbols. The profile available in many colours, guarantees a quality linear lighting effect and full illumination control.

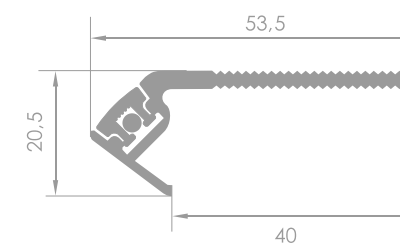

Profile colours: ■ ■

- Available with:
- LED illumination
 - number or another marking
 - coloured elastic covers

STAIR PROFILE OVERLAPPED

An easy to install universal profile that possesses an anti-slip property and provides an aesthetic strip of light.

Profile colours: ■ ■

Available with LED and LumiTEC illumination.
